The harbour fees include docking, electricity & water, haul-out in autumn with high pressure bottom scrub, winter storage on a member supplied cradle, and launch in the spring. There is no charge for emptying the waste system. The annual rate is \$12.71 per square foot (maximum length x maximum width) for each boat and is billed 1/12th monthly. Dry dock, dry sailboats and empty trailers are charged 75% of the docking and storage full annual fee. Half applies in June for the summer, and half in January for winter storage.
