

RStLYC Health Rules - May 2021

- You must book your court using the *Court Reserve* electronic reservation system on our website.
- Singles and Double play is permitted (without face mask).
- Wearing a face mask is mandatory when travelling on the premises and inside the Club.
- Members must disinfect their hands at the Club's entrance and before play.
- No spectator allowed on the court inside the fence.
- Bring your tennis balls and water bottle for the duration of your game.
- Carry disinfectant for your hands and your equipment (racket, water bottle, bag) for use before and after the game.
- Show up at the Club no more than 10 minutes before the start of your booking and leave the Club once completed.
- Let the current players leave before entering the court.
- At all times, maintain two (2) meters of social distance.
- Change sides clockwise.
- Stay on your court and fend off other people's balls with your racket/foot.
- Once your time is up, you can continue to play until new players show up.
- When your playing period ends, finish the point, get off the court and leave the Club if you do not have any other activity planned.
- If you use the ball machine on Court 3, you will have to disinfect it and the ball picker before and after usage.
