

Dear Members

Following new restrictions prescribed by the Quebec Government in the face of the second wave of COVID-19, we must inform you of the following changes:

1- The Prize Giving event that was to take place this coming Saturday has been postponed to a date yet to be determined.

2- The food and beverage service will be limited to *take out only* between the hours of 11 AM and 4 PM, from Wednesday to Sunday until mid-October, after which all F&B services will be closed for the season. As a result, no minimum monthly house account will apply for the months of October, November and December 2020.

Let's be optimistic but let's be safe!
